**Palmetto Tatters Guild Tat Days 2023**  
**Lake Junaluska Conference Center, NC, USA**

## **Call for Theme Logo**

The theme for the Palmetto Tatters Guild (PTG) Tat Days 2023 event is **“Tatting Gone Wild”** and the PTG is hosting a logo contest! All creative ideas are welcome. Enter as many times as you wish.

The logo must be:

- Flat (No three dimensional designs-3D is COOL but hard to do in print. Bring your 3D tatting to Tat Days for the Tatting Display!)
- Appropriate for the theme
- A tatted *original* design
- Will be used in both full color and single color versions.
- **Needs to print well in single color on a solid color background.**

The scan/picture of the tatted logo and pattern must be received by the PTG no later than midnight (EST) **Thursday, December 1, 2022**. Scans received after this date/time will not be considered. The selection will be made by the PTG Board and Tat Days Committee on or before the February meeting and the winner will be announced on the PTG website shortly thereafter.

The logo will appear on the PTG website for the Tat Days event, on the cover of the Tat Days book, commemorative items, publicity flyers and ads, and other materials produced by the guild in connection with the Tat Days event.

The winner will receive a free digital form of all the patterns from the classes taught at this year’s Tat Days, a free tote bag with the logo, and recognition on the PTG web site and in the Tat Days book.

The PTG will ask for the actual winning tatted piece(s) for our web artist to scan in high resolution.

Send questions, scan/picture of logo (preferably a hi-res jpg) and pattern to [teachers@palmettotatters.org](mailto:teachers@palmettotatters.org)

For all submissions, may we have your permission to:

1. Put a picture of your logo submission on our webpage?
2. Include your original pattern on the digital format for all of the Tat Days patterns along with your email address (please include your email address on the pattern)?

If so, please include your permission with your submission.

Thank you for your time, support and your entry(s).
